Two 3¾ mm (U.S. 5) and two 4½ mm (U.S. 7) knitting needles **or whichever needles you require to produce the tension given below**.

TENSION: 20 sts and 26 rows = 4 ins (10 cm) with 4½ mm needles in stocking st.

The instructions are written for size 4. Any changes necessary for sizes 6 and 8 are written in brackets thus: **( )**.

Note: The coloured design is worked by carrying yarn not in use loosely across wrong side of work but never over more than 3 sts. When it must pass over more than 3 sts, weave it over and under colour in use on next st or at centre point of sts it passes over. The colours are never twisted around one another. When changing colours, in order to prevent a hole, pass colour to be used underneath and around to right of colour just used.

Helpful Hints

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project. It is a good idea to retain ball bands in case of inquiry.
Before you begin to knit check your tension by making a test swatch and adjusting needle sizes, if necessary, to obtain the tension quoted in the pattern. Inaccurate tension results in a garment too large or too small. Even a variation of half a stitch makes an obvious difference in the finshed size. Loose tension can result in the garment losing its shape during wear or laundering.
Before beginning, read the instructions and underline all figures applying to your size. Sizes should be chosen from actual bust or chest measurements and not age or ready-to-wear sizes.

Note: Never put an iron directly on yarns containing synthetic fibres. If pressing is required before assembly, lay each piece right side down on a clean, flat surface and pin to size using rust proof pins. Cover with a damp cloth and leave to dry.

WASHING INSTRUCTIONS

Patons Canadiana and **Patons Diana:** Machine wash. Machine dry.

Patons Super Wool, Beehive Shetland Chunky and **Beehive Shetland Light:** Machine wash. Dry flat.

MACHINE WASHING

Do up buttons and turn the garment inside out. Wash the garment, preferably on its own, with a gentle cycle, using warm water and detergent. Softener may be added to the final rinse. Do not use bleach.

MACHINE DRYING

Tumble dry at a low setting. Do not overheat.

HAND WASHING

Note the measurements of the garment before washing. Thoroughly dissolve soap or mild detergent in lukewarm water. Place the garment in the suds and squeeze gently. Do not rub or leave to soak. Support the garment with your hands as you remove it from the water. Rinse twice in clean, lukewarm water. Remove excess moisture by rolling in a thick towel. Dry flat.

DRYING FLAT

Do not wring, twist or hang to dry. Lay garment on a flat surface away from lights, sunlight and excessive heat. While still damp, gently push garment back to its original measurements.
